CHAPTER 9—COLLECTION AND PUBLICATION OF FOREIGN COMMERCE AND TRADE STATISTICS

§ 301. Collection and publication

[*See main edition for text of* (a) *to* (d)]

(e) There shall be reported, on monthly and cumulative bases, for each item in the Tariff Schedules of the United States Annotated, the United States port of entry value (as determined under subsection (b)(6)). There shall be reported, on monthly and cumulative bases, the balance of international trade for the United States reflecting (1) the aggregate value of all United States imports as reported in accordance with the first sentence of this subsection, and (2) the aggregate value of all United States exports. The values and balance of trade required to be reported by this subsection shall be released no later than 48 hours before the release of any other government statistics concerning values of United States imports or United States balance of trade, or statistics from which such values or balance may be derived.

(f) On or before January 1, 1981, and as often thereafter as may be necessary to reflect significant changes in rates, there shall be reported for each item of the Tariff Schedules of the United States Annotated, the ad valorem or ad valorem equivalent rate of duty which would have been required to be imposed on dutiable imports under that item, if the United States customs values of such imports were based on the United States port of entry value (as reported in accordance with the first sentence of subsection (e)) in order to collect the same amount of duties on imports under that item as are currently collected.

(As amended Pub. L. 96-39, title XI, § 1108(a), July 26, 1979, 93 Stat. 313.)
